

## Course progression map for 2018 commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the [Handbook](#).

### P6001 Bachelor of Pharmacy (Honours) / Master of Pharmacy

|                      |  |  |  |                                   |
